Smartsign Startup

Strategic startup for a smooth workflow

With Smartsign Startup, we ensure that you get the most out of your license. Together, we review your needs and help you design a strategy for an effective way of working. We also make sure that your user account is set up correctly.

With Smartsign Startup you get a customized training based on the needs analysis we do with you after you order the Startup package. The training will be fully adapted to your needs, so that you get the most out of Smartsign and find a time-efficient way of working.

Smartsign Startup is equally suitable for new customers, as well as for those of you that need a new take on your digital signage presence. The common goal is that you want to get the most out of your solution.

Analysis of your needs
- Target group
- Prerequisites
- Communication goals

User configuration
- Single users and groups
- User rights

Customized training
