# WP SERIES

## ALL-IN-ONE SOLUTION

Digital Wallpaper series is INFILED's flagship ultra-thin, ultra-high resolution LED display. The all-in-one design is an ideal solution for any indoor installation requiring ultra-high definition. With a panel ratio of 16:9 and a pixel pitch ranging from 0.9mm to 3.1mm, configurations of 2K, 4K, and 8K resolution displays can be easily achieved. With an ultra-thin edge thickness of just 29.5mm and an intuitive slim line mounting system, Digital Wallpaper saves space for demanding environments. The WP series features front service modules for efficient hassle-free maintenance, resulting in minimal screen downtime.

### EASY MAINTENANCE

- Front service LED modules offer easy maintenance.
- The innovative magnetic suction tool prevents damage to the LED modules during maintenance.

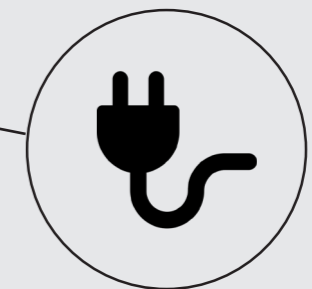

1x HDMI  
4x USB

### BUILT-IN MEDIA PLAYER

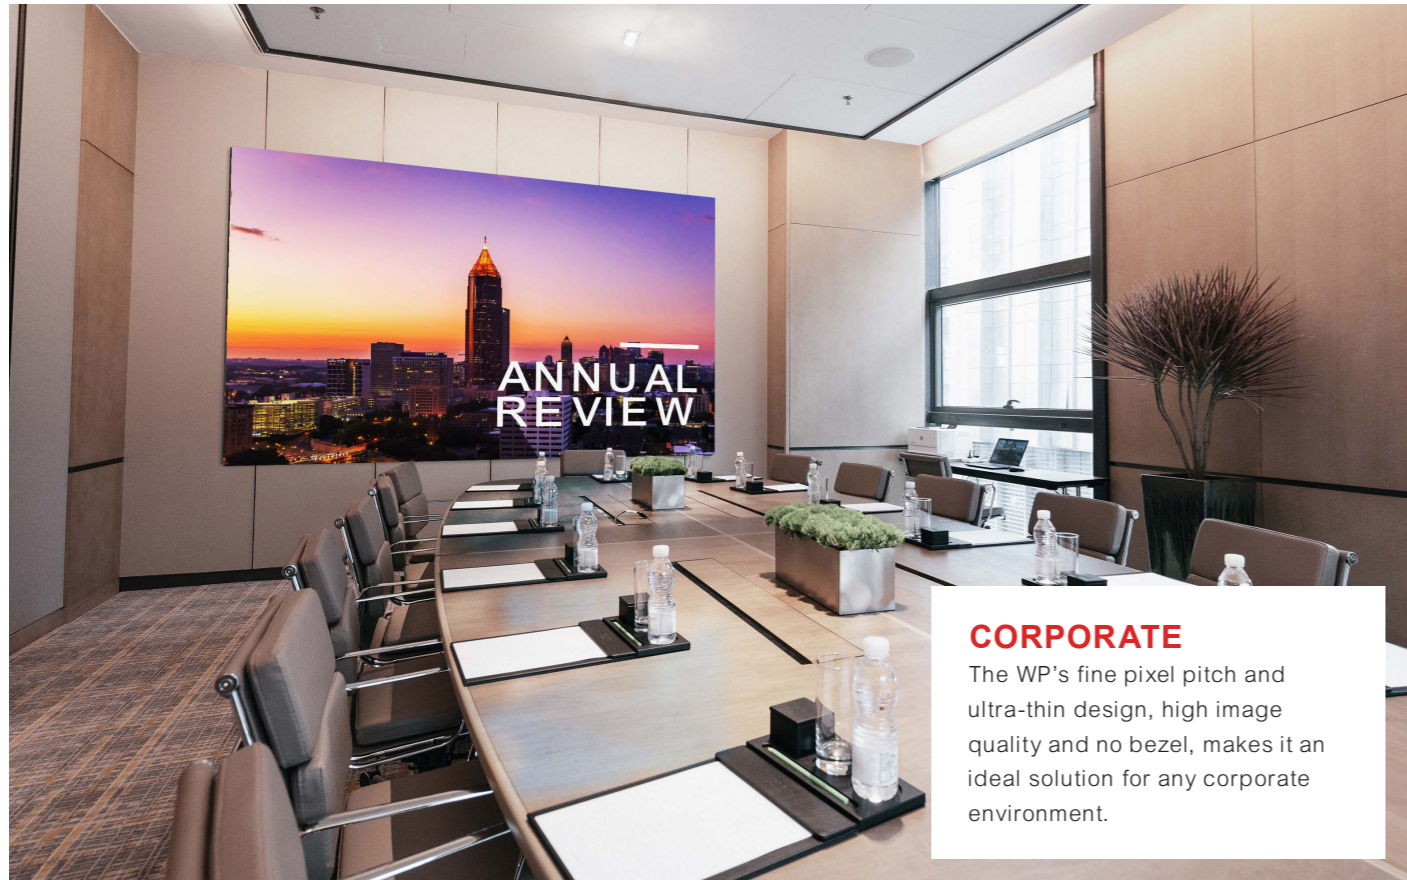

- The WP all-in-one solution features integrated media player to make a complete standalone screen.
- 1 HDMI output and 4 USB ports are available for easy content display.

### PLUG-AND-PLAY

- Only a domestic plug-in is required to connect the display.
- Power redundancy is possible for demanding uninterrupted 24x7 operation.

# VERTICAL MARKETS

## CORPORATE

The WP's fine pixel pitch and ultra-thin design, high image quality and no bezel, makes it an ideal solution for any corporate environment.

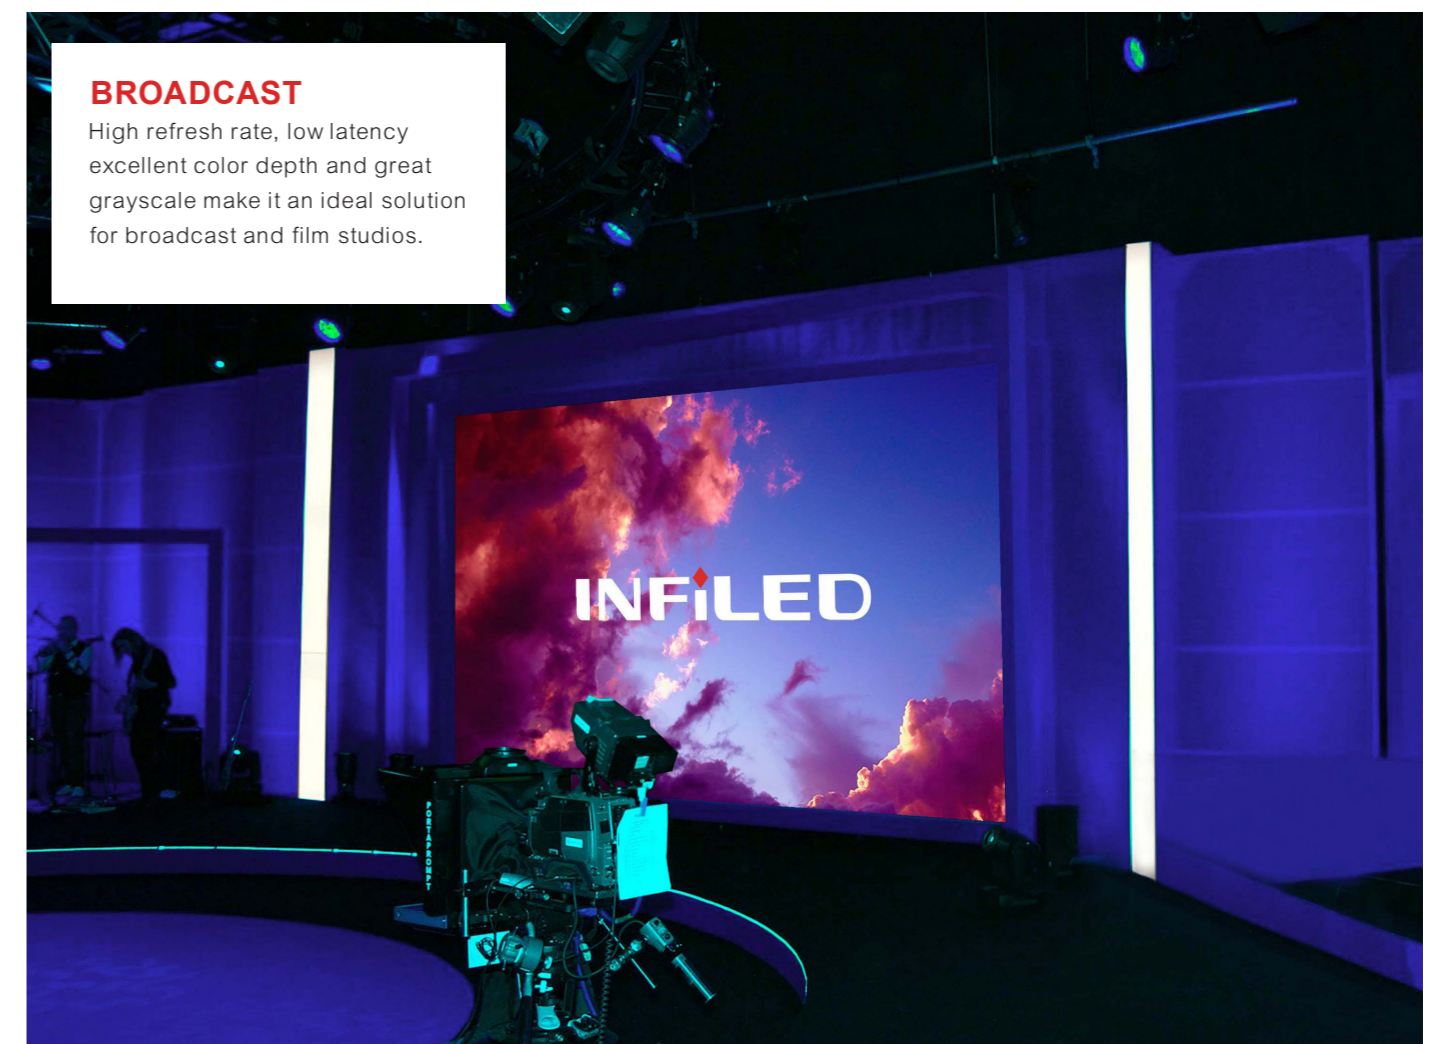

## HOSPITALITY

Fixed or mobile, the WP series can enhance the viewers' experience with eye-catching digital content and advanced visual effect.

## CONTROL ROOMS
