# M VESA Desktopmount Triple Stand 24"-32" Expansion Kit

Art No: 7 350 073 731 329

The M VESA Desktopmount Triple Stand 24"-32" expansion kit adds three more flat panels to the M VESA Desktopmount Triple Stand 24"-32" making it a unique six stand holding up to 6pcs of 32" monitors. The expansion kit together with the mount itself is made out of a heavy durable aluminum and steel creating a heavy duty but still sleek unit with great stability.

If you are looking for a six screen solution the combination of a M VESA Desktopmount Triple Stand 24"-32" and its expansion kit that adds another three screens is most certainly one of the most stable multi-monitor solutions on the market today.
