# 2 x Wall Mount with corner piece for **Era 100**

White option available

This pair of Flexson Wall Mounts are built to hold your Sonos Era 100 speakers at the ideal listening height and position, thanks to the unique tilting mechanism that allows for easy movement of your speaker into the perfect angle and now with corner mount adapter plate.

This pair of Flexson Wall Mounts for the Sonos Era 100 blend discreetly and stylishly in any environment, with a clever design that hides cable entry while keeping your speaker secure. Like all Flexson products, this pair of Wall Mounts for the Sonos Era 100 are precision engineered, and quick and easy to assemble.

- Two mounts included to hold two Sonos speakers
- Quick and easy assembly
- Designed to colour match your Sonos speakers
- Crafted specifically to support the Sonos Era 100 speaker
- Can be inverted to hold the speaker upside down
- Unique tilting mechanism and 80º swivel
- Precision engineered for quality
- Fixing hardware included for brick/masonry and brick/studwork
